

## What Mobilise does

**Mobilise is a UK charity that promotes mobility for disabled people.**

We campaign at a local and national level to represent the interests of disabled drivers, passengers, scooter & wheelchair users, as well as their friends, families and carers.

Our information line receives over 500 calls a week. We provide expert advice on subjects such as returning to driving, the Blue Badge Scheme, parking, public transport, mobility aids and general access issues in order to enable disabled people to make informed decisions about their transport needs.

By leading in the fight to improve mobility and access Mobilise seeks to promote a better way of life for all disabled people irrespective of age, gender or race; and to end discrimination and segregation.

## What corporate membership can do for you

Becoming a corporate member of Mobilise is a clear demonstration of your commitment to disabled people. You will be supporting our information service and our campaigning work that benefits and improves people's lives.

Being a corporate member of Mobilise can help to make your staff more aware of the issues faced by disabled people. You will be demonstrating your commitment to diversity and equality to customers and the communities in which you operate.
